Survive-Miva
 Survive-Miva is a national Catholic Charity founded in the Archdiocese of Liverpool in 1974.
It provides whatever essential form of transport is needed to enable priests, parish workers and catechists to reach out to the people they serve in Africa, Asia & Latin America.
 It may be a bicycle, a moped, a trail bike, a 4wd ambulance, a pickup or even an outboard motor where the roads are the local rivers. In some parishes, the distances that separate one village from the next can be enormous, with one priest having to travel for miles over rough tracks to celebrate Mass, weddings, baptisms and burials, with those who live in hard-to-reach communities. **These are people who have no regular access to either the Sacraments or to healthcare when they are unwell, and such care is provided mainly the Church.**
 SURVIVE-MIVA aims to help those who *already* have the skills; who are ordained or medically trained; the Sisters who are doctors and midwives and the village nurses who give life-saving jabs to the young and care for the elderly.
In giving to SURVIVE-MIVA, you are providing experienced professionals with a simple way of getting from A to B, where the availability of transport means they can immediately do their jobs or carry out their apostolate much more effectively.
THANK YOU FOR HELPING US TO HELP THEM.
