CAFOD World Wide Petition to Cancel the Third World Debt

Please Help!

54 Countries are facing debt distress. Many are forced to repay debt to big banks and wealthy nations and therefore neglect their own needs for maintaining health provision, education, sewage & water infrastructure and coping with droughts and floods. Often countries have repaid their original debts once, but are still paying due to extortionate interest rates and unscrupulous tactics.

CAFOD invites you to sign their petition with others from all over the world.

There will be copies at the back of church next weekend (5th & 6th July) or you can sign on line using the QR code.
